22 the citizens of this state to provide water and sewer grant opportunities for
23 projects to keep Arkansas water systems safe and clean; and that this act is
24 immediately necessary because there is a dire need to protect public health
25 and safety in Arkansas by replacing water and sewer lines that are in
26 disrepair and by providing new access to clean water systems to other
27 citizens. Therefore, an emergency is declared to exist, and this act being
